

# SRI LANKA INSTITUTE OF INFORMATION TECHNOLOGY

16<sup>th</sup> Floor, BoC Merchant Tower, No. 28, St. Michael's Road, Colombo 03

Date : 19<sup>th</sup> August 2013

Your Ref :

My Ref :

Dear Sir/ Madam,

## **SLIIT CodeFest 2013: National Software Competition**

### **Tertiary Category**

The Faculty of Computing of Sri Lanka Institute of Information Technology (SLIIT) is **conducting CODEFEST for the second consecutive year**. CODEFEST is a nationwide software competition aimed at harnessing and promoting software application design and development talents of students at both secondary and tertiary level students. **Information and Communication Technology Agency (ICTA) is the strategic partner of this event.**

CodeFest, aims at appreciating the knowledge of software development at national level. The school category will be open to students from all schools island-wide while the tertiary category is open for students from **any higher education institute or university in Sri Lanka**. A team may comprise up to **5 members**.

Contestant teams are expected to develop a **Context Aware/ Location Based mobile application** which supports the current needs of Sri Lanka. Application context can be the geographical location, environmental conditions or the location where the application will be used. Innovative forms of location based applications and context sensitive applications beneficial to the progress of the country are encouraged.

To find more details about the competition refer to the codefest web site, <http://www.codefest.lk>.

Important event dates are as follows.

Closing date of applications	<b>15<sup>th</sup> September, 2013</b>
Submission date for projects (Extended)	<b>30<sup>th</sup> September, 2013</b>
Final Competition	<b>25<sup>th</sup> October, 2013</b>

**Students of your university/institute are warmly invited to participate in this competition. Please feel free to contact us any time with your queries.**

Thank You.

Yours faithfully,

Mr. Indraka Udayakumara
